

# PRODUCT LIST

## Bridge & Heavy/Highway Products

Bridge Bearings
Strip Seal Expansion Joint Systems
Modular Expansion Joint Systems
Bridge Downspouts & Scuppers
Bearing & Sheet Piles
Retaining Wall Systems
Precast Concrete Sound Barrier
Precast Roadway Barrier & Screens

## Geosynthetics & Erosion/Sedimentation Control

Geotextile Fabrics
Geogrids
Bentonite Liners
Safety & Silt Fence
Sediment Bags

## Materials for Concrete Pavements

Dowels, Adhesives & Graphite Lubricant
Load Transfer Assemblies
Tie Bars & Bolt Assemblies
Longitudinal / Tie Bar Assemblies
Paving Forms & Keyway
Curing & Sealing Compound
Expansion / Isolation Joint Materials
Joint Sealing Materials / Compression Seals
Spall Repair Grout
Diamond Saw Blades

## Chemicals

Surface Hardeners & Protective Coatings
Adhesives, Grout & Epoxy
Form Oil

## Reinforcing Steel

Reinforcing Bars
Welded Wire Reinforcement
Bar & Mesh Supports
Rebar Splicing Products

## Storm Water & Utilities

Reinforced Concrete Pipe
Corrugated Metal Pipe
HDPE & PVC Pipe
Precast Inlets & Manholes
Underdrain & Trench Drains
Ductile Iron Pipe
Cast Iron Fittings, Valves, Etc.

*Many of our products can contribute to your LEED project goal.*
